

FIPSA CODE OF CONDUCT

We as members of this association, pledge ourselves to serve our nation in our respective community where we operate, to conduct our business operations professionally, honourably, and respectfully.

In this declaration we agree to the following:

- Adhere to ethical standards in relation to fellow practitioners and clients
- Treat all beliefs and religions with the respect they deserve
- Maintain strict confidentiality towards all personal information
- Follow all necessary health precautions as stated in applicable regulations
- Respect and emotionally support families of the deceased during their bereavement
- Demonstrate respect towards the deceased on their final journey
- Serve the interest of all our clients without prejudice all who need our services;

I, _____ as an authorised officer of _____ herewith accept and promise to be loyal to the FIPSA's Code of Conduct
